OFFICE OF THE SECRETARY

In the Matter of

Amendment of Section 73.202(b))	
Table of Allotments)	MM Docket No. _____

(Monroe and)

To: Chief, Allocations Branch
Policy and Rules Division
Mass Media Bureau

PETITION FOR RULE MAKING

Cumulus Licensing Corporation, licensee of Station WTWR(FM), Monroe, Michigan ("Petitioner") by its counsel, hereby requests that the Commission amend the FM Table of Allotments to delete Channel 252A at Monroe, Michigan, and allot Channel 252A at Luna Pier, Michigan as that community's first local service. If the Petition is granted, Petitioner will file an application to modify the license of WTWR to specify operation on Channel 252A at Luna Pier.

The following table summarizes the changes requested in this Petition:

City	Channel	
	Existing	Proposed
Monroe, Michigan	252A	-----
Luna Pier, Michigan	-----	252A

In support hereof, Petitioner states as follows:

I. Technical Analysis

1. As demonstrated in the Engineering Exhibit, Channel 252A can be allotted to Luna Pier, Michigan at the current WTWR transmitter coordinates of 41-50-43 North Latitude, 83-27-12 West Longitude consistent with prior case law. See Exhibit E, Figure 1. The channel study discloses two preexisting short spacings, which are grandfathered under Section 73.213 of

No. of Copies rec'd 044
List ABCDE

the Commission's Rules. Such preexisting short spacings are not a bar to a change in community of license when, as here, the station's transmitter will not be relocated. *See Kankakee and Park Forest, Illinois*, 16 FCC Rcd 6768 (DA 01-700) (rel. March 23, 2001).¹ A 70 dBu signal can be provided to Luna Pier from the proposed reference point. *See Figure 2*. No change in facilities of WTWR will be necessary in order to implement this change in community of license.

II. Change in Community of License

2. The proposed change in community of license of WTWR from Monroe to Luna Pier satisfies the prerequisites set forth in *Amendment of the Commission's Rules Regarding Modification of FM and TV Authorizations to Specify a New Community of License*, 4 FCC Rcd 3870 (1989), *recon. granted in part*, 5 FCC Rcd 7094 (1990) ("*Community of License*"). First, because no change in facilities is requested, the proposed use of Channel 252A at Luna Pier is mutually exclusive with its current use at Monroe. Second, the Luna Pier proposal is preferred under the Commission's priorities, since Luna Pier would receive a first local service (priority 3), while Monroe will retain service from Stations WEJY(FM), WJOF(FM) and WLLZ(AM) (priority 4). *See Revision of FM Assignment Policies and Procedures*, 90 FCC 2d 88 (1982).

3. Luna Pier is a community deserving of a first local service. The City of Luna Pier is listed in the U.S. Census 2000 with a population of 1,483. The U.S. Post Office associates ZIP Code 48157 with Luna Pier, and operates a Post Office in Luna Pier. *See Exhibit B*. Luna Pier is governed by a Mayor and City Council, which meets biweekly. Luna Pier provides many municipal services to its residents, including police and fire protection, waste water handling, zoning and permitting, street maintenance, and leaf collection. *See Exhibit B*.

4. Developed as a resort community in the early 1900s, Luna Pier was incorporated as a city in 1963. Situated on the shores of Lake Erie, Luna Pier has a sandy beach with a

¹ The channel study also discloses a pending application for WTWR at a new transmitter site. That application, File No. BPH-20010322ABO, has been dismissed at Petitioner's request. *See Exhibit A*.

crescent-shaped pier offering access to the lake. A number of sportfishing operators offer charter services. The Luna Pier Harbor Club serves boat owners and operators. *See Exhibit B.*

5. Retail businesses include restaurants, lodging, and shopping. Public education for children in grades 1-4 is provided by Luna Pier Elementary School. The Rasey Memorial Branch Library, a public library is located in Luna Pier, and offers regular programs for Luna Pier children. Two Luna Pier churches offer services for residents. Medical services are available from the Luna Pier Clinic. *See Exhibit B.*

III. Conclusion

The allotment of Channel 252A to Luna Pier, Michigan is in the public interest because Luna Pier will receive its first local service. Monroe will continue to have two local services. The Commission should promptly issue a Notice of Proposed Rule Making as described herein.

Respectfully Submitted,

In Support of a
Petition for Rule Making
Cumulus Licensing Corp.
WTWR, Luna Pier, Michigan

Cumulus Licensing Corp. (herein referred to as "Cumulus" as well as "The Petitioner"), by means of this petition for rule making, wishes to change its community of license from Monroe, Michigan to Luna Pier, Michigan. Cumulus proposes no technical changes in the current facility of WTWR.

Engineering Exhibits Explained

Exhibit E, Figure 1 is an allocation study demonstrating the spacing to all co- and adjacent-channel facilities in the area. WTWR currently has existing short spacing to WDFM and WVMV. These short spacings are grandfathered under §73.213.

Exhibit E, Figure 2 is a coverage map of WTWR's current F(50,50) 70 dBu contour over the community of Luna Pier, Michigan. This map demonstrates that no technical changes are required for WTWR to cover 100% of Luna Pier, Michigan with a 70 dBu contour, in compliance with §73.315 of the Commission's Rules.

Administrators Highlights

The Luna Pier Economic Development Corporation and the Luna Pier City Council have agreed to sell 2.5 acres of land in the Commercial Park to Mr. Jack Patel to build a Super 8 Motel. The motel will be three stories and contain approximately 40,000 square feet. This project will begin in the summer of 2000.

During the past few months our office has again begun working on an application to the Community Rating System (CRS) with the main objection of reducing flood insurance rates for property owners within the City of Luna Pier. As you know our city is located within a flood plain and home owners insurance policies do not cover damage from floods. Because Luna Pier participates in the National Flood Insurance Program, you can purchase a separate flood insurance policy which is backed by the federal government and is available to everyone. It will take approximately six months to go through the procedure to qualify the city for a rate reduction on your policies.

Leaf Disposal - To assist Luna Pier residents with the disposal of leaves the city will offer curbside pick up during the months of October and November only. Residents are asked to place leaves in clear plastic bags at the curb on Sunday evenings and the city will dispose of them.

A burn pile for brush and tree trimmings only (NO GRASS CLIPPINGS, TRASH, PLASTIC BAGS OR WOOD WITH NAILS PLEASE) is located South of the maintenance garage off S. Harold Drive.

Luna Pier Food Closet

On the third Wednesday of each month the Luna Pier Food Closet distributed food to those in need. It is held at city hall (upstairs) from 6:30 p.m. - 7:00 p.m. To qualify bring proof of: income, rent/mortgage payment, amount of food stamps, insurance payment and the number of people in your family. Volunteers are needed to help with distribution and donations of food or cash are welcome. For further information contact Director Melanie Perry (848-8314) or Co-Director Mary Leichty (848-8279).

Water Tower Park Sr. Citizens Nutrition Center

Home cooked meals are available Monday thru Friday at the Water Tower Park. Reservations are requested by calling 848-8700 (8 a.m. - 3 p.m.) the day before you plan to attend.

The suggested price is \$1.50 if you are 60 years of age or disabled. Meals are also available to the public at a suggested price of \$3.50. Transportation is available and home delivery is offered to the disabled. **No one will be turned away.**

Feel free to participate in this nutrition program--no membership is required. Tuesday is "euchre" day and on Thursday's join us for bingo!

To keep this service available in the community we need your attendance. For more information call Evelyn Bryant, Supervisor, at 848-8700 from 8 a.m. until 3 p.m. daily.

Luna Pier is located on Lake Erie in Monroe County, about 10 miles from the Ohio border. It is primarily a resort town that also functions as a bedroom community to the greater Toledo area. It has a sandy beach with a half-mile long pier shaped as a crescent, stretching out into the big lake. It is a favorite spot for walking, fishing, feeding the ducks and seagulls, and just enjoying the fresh lake air.

This area developed as a resort community during the early 1900's. It became large enough to be assigned a post office in 1929. It eventually was incorporated as a city in 1963.
